

MANDATORY VACCINATIONS

Coaches, Managers and School Volunteers

On Monday, 25 October the [COVID-19 Public Health Response Order for Mandatory Vaccinations for Education](#) came into effect.

Everyone who works for a school or kura, external providers and volunteers who have contact with children or students or will be present at a time when children and students are also present must have had a first dose of the COVID-19 vaccine by 15 November and their second vaccination by January 2022.

As a first step and with pace, all NZ Schools have been instructed to evidence that people working onsite or offsite with children in Term 4 must have received their first vaccination by 15 November 2021.

Below outlines the Matua School process for all coaches, managers, volunteers and external personnel to follow. This will allow you to work with, coach or manage Matua School students on or offsite. We will confidentially collect and store the test results and vaccination status submitted.

Please do feel free to contact me if you have any queries. Thank you for the quick sharing of your first vaccine information and your understanding of the importance of this.

Nga mihi nui,

Marcus Norrish
Principal

Regular and 'One off' Volunteers, Coaches and Managers Term 4 2021

You are vaccinated (at least 1 shot) before 15 November - By 3.00pm Friday, 12 November, please provide us with evidence of your initial vaccination [CLICK HERE](#)

Evidence we accept (1mb file size max) via the above link of your first vaccination includes immunisation card, or vaccination statement from [My Covid Record](#). If there is a medical reason why you cannot be vaccinated, you are not required to meet this mandate, however you will need to provide evidence of your exemption as required by the Ministry of Health.

If you won't be vaccinated by 15 November and you have a regular volunteer role at Matua School, please make contact with the school office or key school contact prior to Monday 15th November 2021.
