

Learner Conference Record - 2021

Tēnā koe, Bonjour, Hola, 안녕하세요,
Guten Tag, 您好, Namaste,

Strengths, talents, and interests
that my child has:

Matua
School

Knowing our students and families is important to us. Please take this opportunity to share any information in a safe and confidential manner. We would be privileged to gain your valuable insight to help us as we build relationships with your child. To strengthen our partnership between home and school we welcome you to update this information at any time. Feel free to continue on another piece of paper, add additional information or e-mail further responses. Please complete this sheet and return it to your child's teacher, either before or during the Learner Conferences (Tuesday 23rd February).

Some of the things that my child may need support with academically, socially, or emotionally:

Do YOU, your whānau, or close friends have any strengths or interests that could be utilised occasionally within our classroom?
E.g. cooking, crafts, sport, trade expertise, computer skills, sewing, gardening, drama, rocket science, etc...

The top three reasons I am lucky to have your child in my class:

Whānau Story: What is important to your Whānau? Is there anything important you would like to share about your family and/or your wider whānau?

Any personal, Cultural or Religious beliefs/celebrations that you would like me to be aware of?

Child's Name:

Parents/Caregivers Names:
